Hi Azucena Beltran & Salton Sea Management,

See below the concept proposal submission from E2Eden LLC, for the purposes of restoring the Salton Sea.

KEY DOCUMENTS

1. Probable costs spreadsheet (file)
2. Proposal overview PPT (large file, google drive link provided - 34.2MB)
3. Proposal overview PDF (file - 7.6MB)
4. Hydrological data model (detailed and configurable model of assumptions and throughput)

If there are any questions or issues with the files, formats or you did not receive all files, please let me know.

Please confirm receipt.

Regards,
Jason McBride
Founder, E2Eden LLC

Dear Jason,

Thank you for your submission to the Updated RFI. This is confirmation that your submission on behalf of E2Eden LLC has been received on October 11th @6:44pm EST.

As mentioned in the Updated RFI call, you will receive an email from me inviting you to the optional and virtual 30-minute presentations after today. Thank you for your response to the Updated RFI, the Panel looks forward to reviewing it.

Best,
Azucena

Hi Azucena,

Thank you for the confirmation,
and we look forward to hearing the results of the evaluation!

Much appreciated,
Jason
