Re: CNRA Request for Information for Salton Sea Water Importation Projects

Dear Ms. Beltrán:

In response to your Updated Request for Information, dated 8/13/21, and further to our 9/10/21 email exchange regarding our intention to submit materials, we are pleased to provide you with our submission.

Our submission comprises the following:

1. This transmittal letter; and
2. PDF (filename SaltonSea_NWG_10-12-2021) with bookmarks.

We look forward to the opportunity to make a presentation to the independent review panel during the October 20 – 22, 2021 timeframe.

Sincerely,

The New Water Group LLC
